General information

Optimized for

Our site has been optimized for a screen resolution of **2736 x 1824 pixel (3:2 ratio)** with the newest version of **firefox**. We cannot ensure a good display of our page if you are on another browser or have an other screen resolution / ratio.

Note about registration

If you want to signup with a fully filled out form and it won't automatically log you in by clicking on the signup button, it might be because either the username has already been taken or there already exists an account with the used email address. We implemented the alert function, so you get notified where the problem lies, but due to a merge conflict it got deleted and we notice dit too late. Due to a lack of time after noticing it, we weren't able to implement it again.

The screenshot shows the iocus! website's sign-up page. The top navigation bar is dark blue with the iocus! logo on the left and links for 'browse for products and services', 'search', 'username', and 'password' in the center. On the right of the bar are 'sign in' and 'sign up' buttons. The 'sign up' button is highlighted with a red box and a blue circle containing the number 1. Below the navigation bar is a white sign-up form. The form is titled 'Sign Up' and contains several input fields: 'First name' (filled with 'Peter'), 'Last Name' (filled with 'Johnes'), 'Username' (filled with 'PeterJohnson22'), 'E-Mail' (filled with 'peter.johnson@gmail.com'), 'Street' (filled with 'Mainstreet'), 'Housenumber' (filled with '8'), 'Postal Code' (filled with '1866'), and 'City' (filled with 'Maryland'). At the bottom of the form are 'Password' and 'Repeat Password' fields, both filled with dots. A red box highlights these two fields, with a blue circle containing the number 3. Below the form is a blue 'sign up' button, which is highlighted with a red box and a blue circle containing the number 4. A blue circle containing the number 2 is located at the top right corner of the sign-up form.
